ABOUT ME

I am Saranya, currently pursuing my 3rd Year B.Tech Information Technology at Mount Zion College of Engineering and Technology. I am passionate about Full Stack Development and enjoy creating responsive, user-friendly and functional web applications. I continuously improve my programming and development skills through practical applications and academic projects.

EDUCATION

B.Tech Information Technology

Mount Zion College of Engineering and Technology

Current Year: III Year

TECHNICAL SKILLS

HTML	CSS3	JavaScript
Java	Python	C Programming
SQL	Responsive Web Design	

SOFT SKILLS

Communication Skills • Problem Solving • Leadership • Teamwork

PROJECTS

Current Portfolio

A responsive personal portfolio website developed using HTML and CSS to showcase profile, education, technical skills, projects, career goal and contact information.

Food Delivery Website

A responsive food delivery website developed using HTML, CSS and JavaScript with a user-friendly interface for browsing food items and exploring food delivery services.

CAREER GOAL

My career goal is to become a skilled Full Stack Developer. I aim to improve my knowledge in frontend and backend development, databases, APIs and modern web technologies. I want to build responsive, scalable and user-friendly web applications and contribute to real-world software development projects in a reputed IT company.
